APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing right on the source. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the period of use and the average number of livestock served from the waters of this source. The State retains the right to regulate the use of the water herein granted at any and all times but does not take responsibility for the use of the Federal range.

This permit is issued subject to the terms and conditions of the State Engineer's ruling dated May 12, 1976.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed..... 0.10cubic feet per second but not to exceed

0.387 million gallons annually.

Actual construction work shall begin on or before..... February 2, 1977

Proof of commencement of work shall be filed before..... March 2, 1977

Work must be prosecuted with reasonable diligence and be completed on or before..... February 2, 1978

Proof of completion of work shall be filed before..... March 2, 1978

Application of water to beneficial use shall be made on or before..... February 2, 1979

Proof of the application of water to beneficial use shall be filed on or before..... March 2, 1979

Map in support of proof of beneficial use shall be filed on or before.....

Commencement of work filed..... IN TESTIMONY WHEREOF, I, ROLAND D. WESTERGARD,
Completion of work filed..... State Engineer of Nevada, have hereunto set my hand and the seal of
Proof of beneficial use filed..... my office, this 2nd day of August
